

Are you looking for a way to determine the reading level of specific books?

Try Scholastic Teacher Book Wizard Website!

1. go to <http://bookwizard.scholastic.com/>
2. Click on the correct reading level system in the box that says "Your Reading Level System".
 - grade level equivalent
 - guided reading
 - Lexile
 - DRA
3. Type in the name of a book title in the Quick Search section.
4. Scroll down to find the reading level for that book.
5. If you are looking for other books at this level, click "find similar books".

You can also search by subject, genre, grade level or specific reading level.
